— June 6 & June 7 —

**“We received great reviews from those attending about how they were able to apply your recommendations and techniques, which made a positive impact in their lives.”**

**—Clair Horita, Human Resources Consultant Farmers' Insurance Group, Los Angeles, CA**

**Featured in numerous magazine and newspapers, such as:**

Woman's World Magazine • Los Angeles Daily News • Ventura County Star

### **BOOK SIGNING: Friday, June 6, 2014 7:00-8:30 pm** **Feng Shui for Career Women: the Ultimate Women's Guide to Advancing Your Career and Increasing Your Wealth!**

Join Patt for this informative gathering and receive new insights to identify your unique talents and strengths. Each person will receive their personality profile according to Traditional Feng Shui, an amazing and accurate ancient Chinese “nature science” that is based on cycles in nature used to identify personality types and energies within buildings. This system was used to match marriages in China and select their leaders. Each guest will leave knowing their best career, element in nature, social activity, and personality types to bring the greatest enjoyment and success. Discover how to make a deeper connection with others; create more fulfilling and stronger relationships, and how to form productive teams for any organization. Know who to joint venture with in business for your success.

Each guest attending will leave knowing:

- Your best career based on your unique gifts.
- Your best facing directions for success.
- Your best sleep directions for health and for attracting a new love.
- The most compatible personalities that bring you the most support and the ones that are the most challenging.

### **LIVE EVENT: Saturday, June 7, 2014 10:30-1:30 pm** **Feng Shui with Patt for Your Home**
